Section I – Eligibility, Effective Date, and Termination

Eligibility

You are eligible to be covered under this Plan if you are Actively at Work for your employer and included in the class that is eligible for coverage, as shown on the Master Application.

Dependents of an Employee are eligible for coverage under this Plan. A *Dependent* is:

- Your Spouse, **or**
- The Dependent Child of you or your Spouse (details included in the **Definitions** section).

Insured means you or your eligible Dependent, if any, who is covered under the Plan in the following categories:

- **Employee Coverage** – We insure the Employee and any Dependent Children.
- **Employee and Spouse Coverage** – We insure the Employee, Spouse, and any Dependent Children.

We will not insure anyone specifically excluded from coverage by Endorsement to the Certificate or by application, even if that person would otherwise be eligible for coverage.

Details for adding Insureds to your coverage are outlined in the Effective Date section.

Effective Date

Your Certificate Effective Date is shown on the Certificate Schedule.

Your Certificate Effective Date is the date your insurance takes effect. After we receive and approve the Application, that date is either:

- The date shown on the Certificate Schedule if you are Actively at Work on that date, **or**
- The date you return to an Actively-at-Work status if you were not Actively at Work on the date shown on the Certificate Schedule.

The Effective Date for a Spouse or Dependent Child is:

- The date shown on the Certificate Schedule if that Spouse or Dependent Child is not confined to a hospital and is eligible for coverage on that date, **or**
- The date the Spouse or Dependent Child is no longer confined to a hospital (if that Spouse or Dependent Child was confined to a hospital on the Certificate Schedule date) and is eligible for coverage on that date.

A Spouse may be added to the Plan after the Employee's Effective Date. To be added, the Employee must complete an Application to add his Spouse to the Plan. The Company will assign the Effective Date for a Spouse's coverage after approving the application. For Spouse coverage to become effective, the Spouse must be included in the premium payment.

Newborn children will be covered from the moment of birth, adopted children from the date the petition is filed for adoption, and step-children from the date of the Employee's marriage.

A day begins at 12:01 a.m. standard time at the Employee's, Spouse's, or Dependent Child's place of residence.

Plan Termination

The Company has the right to cancel the Plan on any premium due date for the following reasons:

- The premium is not paid before the end of the Grace Period,
- The number of participating Employees is less than the number mutually agreed upon by the Company and the Policyholder in the signed Master Application,
- The Policyholder does not provide timely information or meet any obligations required by this Plan and applicable law, **or**
- The Company cancels the Plan any time after the end of the first policy year. To do this, the Company must give the Policyholder 31 days' written notice.

The Policyholder has the right to cancel the Plan on any premium due date.

- To do this, the Policyholder must give the Company at least 31 days' written notice.
- The Plan will end on the date in the written notice or the date the Company receives the notice, whichever is later.

All outstanding premiums are due upon Plan termination. If the Company accepts premium payments after the Plan terminates, this will not reinstate the Plan; we will refund any excess premium.

The Policyholder has the sole responsibility of notifying Certificateholders in writing of the Plan's termination as soon as reasonably possible. If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address.

Termination of Your Insurance

Your insurance will terminate on whichever occurs first:

- The date the Company terminates the Plan.
- The 31st day after the premium due date, if the premium has not been paid.
- The date you no longer belong to an eligible class.

Insurance for a covered Spouse or Dependent Child will terminate on the earliest of any of the bullet points listed above, or:

- The premium due date following the date the covered Spouse or Dependent Child no longer qualifies as a Dependent.
- The premium due date following the date we receive your written request to terminate coverage for your Spouse or all Dependent Children.

If your coverage terminates, we will provide benefits for valid claims that arose while your coverage was active.

Portability Privilege

When you are no longer a member of an eligible class and your coverage would otherwise end, you may elect to continue your coverage under this Plan. You may continue the coverage you had on the date your Certificate would otherwise terminate, including any in-force Spouse or Dependent Child coverage.

To keep your coverage in force, you must:

- Notify the Company in writing within 31 days after the date your coverage would otherwise terminate, **and**
- Pay the required premium to the Company no later than 31 days after the date your coverage would otherwise terminate and on each premium due date thereafter.

Ported coverage will end on the earliest of the following dates:

- 31 days after the date you fail to pay any required premium; **or**
- The date the Group Plan is terminated.

If you qualify for this Portability Privilege, then the Company will apply the same Benefits, Plan Provisions, and Premium Rate as shown in your previously issued Certificate.

Section II – Premium Provisions

Premium Payments

Premiums for this Plan should be paid to the Company at its Home Office in Columbia, South Carolina. The first premiums are due on this Plan's Effective Date. After that, premiums are due on the first day of each month that the Plan remains in effect.

Payment of any premium will not keep the Plan in force beyond the due date of the next premium, except as set forth in the Grace Period provision.

Premium Changes

The Plan's first Anniversary Date appears on the Policy Schedule. Subsequent anniversaries will be the same date each following year.

Unless we have agreed in writing not to increase premiums, the premium may change:

- On the Policy Anniversary Date based on renewal underwriting.
- Whenever the terms or conditions of the Plan are modified. The new premium rates will apply only to premiums due on or after the rate change takes effect.

We will provide the Policyholder a 31-day advance written notice of any change to a premium.

Premiums on the Policy Anniversary Date are determined by your Attained Age. The Attained Age rates are shown in the Schedule of Premiums.

Grace Period

This Plan has a 31-day Grace Period. If a premium is not paid on or before its due date, the premium may be paid during the next 31 days. During the Grace Period, the Plan will stay in force, unless the Policyholder has given the Company written notice of its intention to discontinue the Plan. If the Plan is discontinued, the Plan's termination date will be the latest date for which premium has been paid.

- As soon as reasonably possible.

When we receive written Notice of Claim, we will send a claim form. If the Claimant does not receive the claim form within 15 days after the notice is sent, written Proof of Loss can be sent to us without waiting for the form. Notice must include your name and Certificate number. Notice can be mailed to the Company at:

P.O. Box 427, Columbia, South Carolina, 29202

Proof of Loss

Proof of Loss refers to documentation that supports a claim. (This information is often found in standardized medical documents, such as hospital bills and operative reports. It includes a statement by the treating Doctor.) Proof of Loss establishes the nature and extent of the loss, the Company's obligation to pay the claim, and the Claimant's right to receive payment.

The Claimant must provide Proof of Loss to the Company at:

P.O. Box 427, Columbia, South Carolina, 29202

Proof of Loss must be given to us within 90 days of the Date of Diagnosis. Failure to give Proof of Loss within such time shall not invalidate or reduce any claim if such Proof of Loss is given as soon as reasonably possible. The Company will not accept Proof of Loss any later than one year and three months after the Date of Diagnosis, except in the absence of your legal mental capacity.

The Claimant will be responsible for the cost of obtaining a completed claim form. We may request additional Proof of Loss, such as records from hospitals or Doctors. We will be responsible for the cost of obtaining these records.

We may require authorizations to obtain medical and psychiatric information as well as non-medical information, including personal financial information.

When we receive the claim and due Proof of Loss, we will review the Proof of Loss. If we approve the claim, we will pay the benefits subject to the terms of the Certificate.

Physical Examination and Autopsy

The Company may have an Insured examined as often as reasonably necessary while a claim is pending. In the case of death, the Company may also require an autopsy, unless prohibited by law. The Company will cover all costs for exams or autopsy.

Time of Payment of Claims

Benefits payable under the Certificate will be paid after we receive due Proof of Loss acceptable to us. We will pay, deny, or settle all clean claims* within 30 calendar days after receiving the appropriate information.

*Clean claims contain all information and/or documentation needed for processing. These claims do not require further information from the provider, you, or your employer.

Payment of Claims

We will pay all benefits to you unless otherwise assigned. For any benefits that remain unpaid at the time of death, we will pay those benefits in the following order:

- To any approved assignee,
- To your beneficiary,
- To your surviving Spouse,
- To your estate.

Unpaid Premium

When a claim is paid, we may deduct any premium due and unpaid from the claim payment.

Changing of Beneficiary

A change in beneficiary must be submitted in writing to our Home Office in a form acceptable to us and signed by you. Unless otherwise specified by you, a change in beneficiary will take effect on the date the notice of change is signed. We will not be liable for any action taken before notice is received and recorded at the Home Office.

Claim Review

If a claim is denied, you will be given written notice of:

- The reason for the denial,
- The Plan provision that supports the denial, **and**
- His right to ask for a review of the claim.

Appeals Procedure

Before filing any lawsuit—and no later than 60 days after notice of denial of a claim—you, the Claimant, or an authorized representative of either must appeal any denial of benefits under the Plan by sending a written request for review of the denial to our Home Office.

Legal Action

You cannot take legal action against us for benefits under this Plan:

- Within 60 days after he has sent us written Proof of Loss, **or**
- More than three years from the time written proof is required to be given.

Section VII – General Provisions

Entire Contract Changes

Your insurance is provided under a contract of Group Critical Illness insurance with the Policyholder. The entire Contract of Insurance is made up of:

- The Policy;
- The Certificate of insurance;
- The Application of the Policyholder, a copy of which is attached to and made part of the Policy when issued; **and**
- Any Riders, Endorsements, or Amendments to the Policy or Certificate.

All statements (excluding fraudulent ones) that the Policyholder or an Insured has made in the Application will be considered representations, not warranties. The Company will not void insurance or reduce benefits as a result of statements made on the Application without sending Application copies.

Changes to this Plan:

- Will not be valid unless approved in writing by an officer of the Company,
- Must be noted on or attached to the Contract, **and**
- May not be made by any insurance agent (nor can an agent waive any Plan provisions).

Misstatement of Age

If an age has been misstated on the Application, the benefits will be those that the paid premium would have purchased at the correct age.

Successor Insured

If you die while covered under this Certificate and your Spouse is also insured under this Plan at the time of your death, then your surviving Spouse may elect to become the primary Insured at the current Spouse Face Amount. This would include continuation of any Dependent Child coverage that is in force at that time.

To become the primary Insured and keep coverage in force, your surviving Spouse must:

- Notify the Company in writing within 31 days after the date of your death; **and**
- Pay the required premium to the Company no later than 31 days after the date of your death, and on each premium due date thereafter.

If the Certificate does not cover a surviving Spouse, the Certificate will terminate on the next premium due date following your death.

Time Limit on Certain Defenses

After two years from your Effective Date of coverage, the Company may not void coverage or deny a claim for any loss because of misstatements made on your Application. This does not apply to fraudulent misstatements.

Clerical Error

Clerical error by the Policyholder will not end coverage or continue terminated coverage. In the event of a clerical error, the Company will make a premium adjustment.

Individual Certificates

The Company will give the Policyholder a Certificate for each Employee. The Certificate will set forth:

- The coverage,
- To whom benefits will be paid, **and**
- The rights and privileges under the Plan.

Required Information

The Policyholder will be responsible for furnishing all information and proofs that the Company may reasonably require with regard to the Plan.

Conformity with State Statutes

This Plan was issued on its Effective Date in the state noted on the Master Application. Any Plan provision that conflicts with that state's statutes is amended to conform to the minimum requirements of those statutes.

Addition of New Employees

From time to time, new eligible Employees or Dependents may be added to the group originally insured, in accordance with the terms of the Policy.

Amendment to Policy and Certificate of Insurance for Group Critical Illness

This Amendment alters the Policy and the Certificate to which it is attached. Unless specifically addressed by this Amendment, all other Policy and Certificate provisions, definitions, and other terms apply.

Effective Date

This Amendment becomes effective on the Effective Date of the form to which it is attached.

The Plan Termination provision is deleted and replaced with the following:

Plan Termination

The Company has the right to cancel the Plan on any premium due date for the following reasons:

- The premium is not paid before the end of the Grace Period,
- The number of participating Employees is less than the number mutually agreed upon by the Company and the Policyholder in the signed Master Application,
- The Policyholder does not provide timely information or meet any obligations required by this Plan and applicable law, or
- The Company cancels the Plan any time after the end of the first policy year. To do this, the Company must give the Policyholder 31 days' written notice.

The Policyholder has the right to cancel the Plan on any premium due date.

- To do this, the Policyholder must give the Company at least 31 days' written notice.
- The Plan will end on the date in the written notice or the date the Company receives the notice, whichever is later.

All outstanding premiums are due upon Plan termination. If the Company receives premium payments after the Plan terminates, this will not reinstate the Plan.

The Policyholder has the sole responsibility of notifying Certificateholders in writing of the Plan's termination as soon as reasonably possible. If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address.

The Termination of Your Insurance provision is deleted and replaced with the following:

Termination of Your Insurance

Your insurance will terminate on whichever occurs first:

- The date the Company terminates the Plan.
- The 31st day after the premium due date, if the premium has not been paid.
- The date you no longer belong to an eligible class.

Insurance for a covered Spouse or Dependent Child will terminate on the earliest of any of the bullet points listed above, or:

- The premium due date following the date the covered Spouse or Dependent Child no longer qualifies as a Dependent.
- The premium due date following the date we receive your written request to terminate coverage for your Spouse or all Dependent Children.

If your coverage terminates, we will provide benefits for valid claims that arose while your coverage was active.

The insurance on any Dependent Child will terminate on the last day of the month in which the Dependent Child turns age 26; it is your responsibility to notify us in writing when coverage on a Dependent Child terminates. Termination will be without prejudice to any claim originating prior to the date of termination. Our acceptance of any applicable premium after such date will be considered as premium for only the remaining persons who qualify as Insureds under this Plan. When coverage on all Dependent Children terminates, you must notify the Company, in writing, and elect whether to continue this Plan on an Employee or Employee and Spouse Coverage basis. After such notice, we will arrange for the payment of the appropriate premium due, including returning any unearned premium, if applicable.

The Portability Privilege provision is deleted and replaced with the following:

Portability Privilege

When you are no longer a member of an eligible class and your coverage would otherwise end, you may elect to continue your coverage under this Plan. You may continue the coverage you had on the date your Certificate would otherwise terminate, including any in-force Spouse or Dependent Child coverage, without any additional underwriting requirements.

To keep your coverage in force, you must:

- Notify the Company in writing within 31 days after the date your coverage would otherwise terminate. You may notify us by sending written notice to P.O. Box 427, Columbia, South Carolina, 29202 or by calling the Customer Service number at 800.433.3036, and
- Pay the required premium directly to the Company no later than 31 days after the date your coverage would otherwise terminate and on each premium due date thereafter.

Ported coverage will end on the earliest of the following dates:

- 31 days after the premium due date (the last day of the Grace Period), if the premium has not been paid, or
- The date the Group Plan is terminated.

If you qualify for this Portability Privilege, then the Company will apply the same Benefits, Premium Rate, and Plan Provisions as shown in your previously-issued Certificate. Notification of any changes in the Plan will be provided directly by the Company.

The definition of Dependent is deleted and replaced with the following:

Dependent means your Spouse or your Dependent Child. ***Spouse*** is your legal wife or husband who is listed on your Application. For the purposes of this contract only, the term ***Spouse*** will also include a person who is in a legally recognized and registered domestic partnership, civil union, reciprocal beneficiary relationship, or similar relationship with you. ***Dependent Children*** are your or your Spouse's natural children, step-children, foster children, children subject to legal guardianship, legally adopted

children, or Children Placed for Adoption, who are younger than age 26. However, we will continue coverage for Dependent Children insured under the Plan after the age of 26 if they are incapable of self-sustaining employment due to mental or physical handicap, and are chiefly dependent on a parent for support and maintenance. You or your Spouse must furnish proof of this incapacity and dependency to the Company within 31 days following the Dependent Child's 26th birthday.

Children Placed for Adoption are Children for whom you have assumed and retained a legal obligation for total or partial support in anticipation of adoption of the child. The child's placement with a person terminates upon the termination of that legal obligation.

The Additional Diagnosis provision is deleted and replaced with the following:

Additional Diagnosis

Once benefits have been paid for a Critical Illness, the Company will pay benefits for each different Critical Illness when the Date of Diagnosis for the new Critical Illness is separated from the prior, different Critical Illness by at least six consecutive months.

If an Additional Diagnosis claim is for a Diagnosis of Cancer, the Insured:

- Must be Treatment-Free From Cancer for at least 12 months before the Diagnosis Date; and
- Must be in Complete Remission prior to the date of a subsequent Diagnosis as evidenced by the absence of all clinical, radiological, biological, and biochemical proof of the presence of the Cancer.

The Reoccurrence provision is deleted and replaced with the following:

If a Reoccurrence claim is for a Diagnosis of Cancer, the Insured:

- Must be Treatment-Free From Cancer for at least 12 months before the Diagnosis Date; and
- Must be in Complete Remission prior to the date of a subsequent Diagnosis as evidenced by the absence of all clinical, radiological, biological, and biochemical proof of the presence of the Cancer.

The Proof of Loss provision is deleted and replaced with the following:

Proof of Loss

Proof of Loss refers to documentation that supports a claim. (This information is often found in standardized medical documents, such as hospital bills and operative reports. It includes a statement by the treating Doctor.) Proof of Loss establishes the nature and extent of the loss, the Company’s obligation to pay the claim, and the Claimant’s right to receive payment.

The Claimant must provide Proof of Loss to the Company at:

P.O. Box 427, Columbia, South Carolina, 29202

Proof of Loss must be given to us within 90 days of the Date of Diagnosis. Failure to give Proof of Loss within such time shall not invalidate or reduce any claim if such Proof of Loss is given as soon as reasonably possible. The Company will not accept Proof of Loss any later than one year and three months after the Date of Diagnosis, except in the absence of the Claimant’s legal mental capacity.

The Claimant will be responsible for the cost of obtaining a completed claim form. We may request additional Proof of Loss, such as records from hospitals or Doctors. The Claimant will be responsible for the cost of obtaining these records.

We may require authorizations to obtain medical and psychiatric information as well as non-medical information, including personal financial information.

When we receive the claim and due Proof of Loss, we will review the Proof of Loss. If we approve the claim, we will pay the benefits subject to the terms of the Certificate.

NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE OHIO LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Ohio Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. You should check with your insurance company representative to determine if you are only covered in part or not at all.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health guaranty association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by this Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by a medical, health, or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Association also does **not** provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employers' plans to the event they are self-funded (that is, no insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Association is obligated to pay out: The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the association will not pay more than \$100,000 in cash surrender values, \$100,000 in health insurance benefits, \$250,000 in present value of annuities, or \$300,000 in life insurance death benefits - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: For unallocated annuities that fund governmental retirement plans under §§401, 403(b) or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no even shall the association be liable to spend more than \$300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of \$1,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
