# First Stop Health

Accessing your virtual care benefit!

County of Summit provides First Stop Health to all employees and their immediate family members. Here's how to get care in just a few taps, wherever you are!

Did you know that talking to a doctor can be even EASIER with the First Stop Health mobile app?

- Request a visit in a few clicks

- View your past visits and doctor notes

- Update your profile and add family members

- Get answers to FAQs

Download the app

Getting care is even easier with our mobile app. You can request or schedule a visit, view past visit notes, update your profile and more!
